Embracing Mother Earth spirituality & feeling free...

Let's celebrate love, peace and freedom of expression with our joyous eclectic mix of groovy geometrics, "flower power" prints and a mandala designed to spark moments of thoughtfulness and rebalance. Pay homage to the 70's with its mantra of love and peace.

Formulated with super skin-loving ingredients, vitamin E, enriching shea butter and hydrating pro-vitamin B5 and infused with calming eucalyptus, lavender and patchouli essential oils, the key to calm lies within reach.

"Love is all you need."

The Beatles.

What is a Mandala?

A Mandala is a geometric design or pattern; mandala means circle. A symbol of the universe in its perfect form, it is used for meditation, helping to appreciate the beauty of nature, and form a greater connection with oneself.

FG2286

Honey without the honey!

Good news for the bees. Skin kind and bee friendly in formulation and fragrance. Thyme & Honey, Rose & Honey, Orange Blossom & Honey may include honey in the name, but there is no actual honey in the fragrances, it's vegan honey beauty.

Instead, our skin-loving formulation includes Moisturising Bee Balm Flower extract and antioxidant-rich Manuka Leaf extract, the botanical benefits in our vegan honey beauty recipe.

Extra Bee Friendly- every product sold supports the Bumblebee Conservation Trust, the only charity in the UK dedicated to the conservation of bumblebees. 100% Post-Consumer Recycled Plastic bottles.

VEGAN FRIENDLY

“Hands in the dirt,
head in the sun,
heart with nature”

In The Garden combines art, fine formulations and fragrance, designed to celebrate a therapeutic day spent digging, planting and pruning in the garden. English green-fingered gardeners and vitamin-rich vegetable patches continue to inspire our gardening body care products to reward hard-working hands and tired aching limbs after a day in the garden.

Formulations contain shea butter, sweet almond oil, vitamin E, elderflower, rhubarb and blackberry extracts, carrot seed oil, marigold extract and sunflower seed oil specifically designed for pre and post-gardening well-being.

Please join us In The Garden.

VEGAN FRIENDLY

Hand Cream with Shea Butter 100ml in Embossed Tin

FG1858

The beliefs of William Morris to make useful and beautiful products, his uplifting thoughtful art to create coordinating designs that seamlessly sit within the home runs throughout William Morris At Home.

WILLIAM MORRIS GALLERY is the only public museum in the world dedicated to the inspiring Victorian designer. With artworks and personal objects relating to William Morris, based in his childhood home in Walthamstow, many designs have been used in William Morris at Home.

VEGAN FRIENDLY

Our collaboration with the William Morris Gallery

William Morris at Home is a genuine and authentic Morris brand, in partnership with the William Morris Gallery - the custodians of Morris's legacy. Uniquely, the William Morris Gallery is a not-for profit organisation.

William Morris was a keen collaborator, working with friends and family to produce beautiful designs. It was important for William Morris at Home to partner with a genuine public museum, with charitable aims in line with Morris's own principles. The brand will be an important source of funds for the Museum and will help to bring the life and work of William Morris to future generations, as well as enabling the Museum to carry out charitable art activities which enrich lives.

Beautiful Design - Our Promise

William Morris at Home will create curated, go-to William Morris collections, all under one authentic brand. Beautiful and useful products which are well-designed, vegan and sustainable.

"We are only the trustees for those who come after us."

William Morris

Sustainability

William Morris was as concerned with the materials and production behind his creations as he was with their beauty and usefulness. He cared deeply about the environment. We are working hard to honour his beliefs.

We use only post-consumer recycled plastic, recyclable glass bottles, recyclable aluminium tubes, eco-Kraft paper tubes, these use 33% less plastic and vegan leather.

FSC certified packaging printed with sustainable soy and plant-based inks and RSPO certified ingredients. From Spring 2022 organic cotton and materials made from recycled plastic bottles joined the list.

We design and develop so you can reuse and recycle. We hope our eco-programme helps you to feel good about your buying decision and its positive impact on the environment as we continue to research and work on ways to further improve our sustainability.

Rich, warm & restorative

Strawberry Thief pattern, depicts the thrushes that William Morris found stealing fruit in his kitchen garden. Rich, warm and restorative the fragrance Red Berry & Patchouli, complements this design.

Earthy grounding scents based on patchouli, amber and incense oils blended to embrace a heart of restorative rose and violet, topped with notes of dew-fresh red berries, bergamot, and pepper to deliver crispness with warmth.

Formulated with protective strawberry seed extract, rich in essential fatty acids, and antioxidant orange extract. Enriched with skin loving vitamin E, cocoa and shea butters, jojoba and macadamia oils.

VEGAN FRIENDLY

FG2454

Majestic peacocks paired with birds in flight...

Inspired by the Peacock & Bird carpet, owned by the William Morris Gallery, and thought to be the first carpet made at Morris's Merton Abbey factory in 1881. Over four metres square, the carpet features majestic peacocks, paired with birds in flight amongst a pattern of delicate flowers intertwined with foliage.

Set within a deep intricate border, the complex yet playful design is recreated in a bold raspberry and forest green palette, with accents of foil to celebrate the festive season and highlight William Morris's joy in the beauty of nature.

"The true secret of happiness lies in taking a genuine interest in all the details of daily life."
William Morris

VEGAN FRIENDLY

INGREDIENTS GLOSSARY

HEATHCOTE & IVORY IS CERTIFIED AND LISTED BY PETA AS A CRUELTY-FREE AND VEGAN FRIENDLY BRAND.

YLANG YLANG

Known as the 'Flower of Flowers', the balancing and calming characteristics of this oil aids moisturising and soothing skin.

SANDALWOOD

A sweet, warm and woody essential oil has cleansing properties and is full of antioxidants that promotes healthy skin.

SEAWEED COMPLEX

Rich in Omega and packed with vitamins, seaweed complex provides a combination of superfoods for the skin, hydrating and conditioning to leave skin feeling supple.

SEAMOSS EXTRACT

This extract is rich in vitamins, all of which play a role in nourishing the skin to help enhance the natural moisture barrier of the skin.

PATCHOULI

An oil well known for its anti-aging and skin cell regenerating properties. Allowing the skin to feel soft and hydrated and soothe inflammation.

AVOCADO OIL

Derived from the avocado fruit, this oil is packed full of vitamins and nutrients that are beneficial to the skin. With the ability to absorb into the skin quickly it not only acts as a great moisturiser but also soothes and protects the skin.

JOJOBA

A popular ingredient in cosmetics due to its ability to mimic the skin's sebum. It provides an abundance of benefits for the skin from moisturising to conditioning.

BLACK PEPPER SEED EXTRACT

Black Pepper Seed Extract is considered to have skin conditioning properties carrying a refreshing tonic-like nature.

REISHI MUSHROOM

The Reishi mushroom is believed to bring skin benefits such as reducing skin inflammation, puffiness, wrinkles and free radical damage, while also promoting cell regeneration. A staple in traditional Chinese medicine, reishi, which translates to "spiritual potency," is known as the herb of immortality.

CALENDULA MARIGOLD FLOWER OIL

Calendula Marigold Flower Oil helps improve the appearance of dry or damaged skin by reducing flaking and restoring suppleness. It slows the loss of water from the skin by forming a barrier on the skin's surface.

COCOA SEED BUTTER

Cocoa Seed Butter helps protect injured or exposed skin from irritants; slows the loss of water from the skin by forming a barrier on the skin's surface, helping provide relief.

COCONUT OIL

Coconut Oil is very popular and often used in product formulations to reduce dryness of the skin, to assist in moisturisation after exposure to the sun and other harsh elements.

CORNFLOWER FLOWER EXTRACT

Cornflower Flower Extract is known to have skin conditioning, soothing and stimulating properties.

MORINGA SEED OIL

Moringa Seed Oil is a nutrient-dense oil, filled with antioxidants that slow the aging process down and help curb the activity of free radicals; it helps remove wrinkles and prevent sagging of facial skin.

PRO-VITAMIN B5

Pro-Vitamin B5 functions to help a product retain water thus providing a moisturising effect in skin products.

ROSEMARY LEAF OIL

Rosemary Leaf Oil is a skin conditioning agent, rich in antioxidants that help maintain skin function.

ROSEHIP BRIAR ROSE SEED OIL

Rosehip Briar Rose Seed Oil is rich in Linoleic and Linolenic fatty acids, which aid in regeneration of skin and repair of damaged skin.

ROSA CENTIFOLIA RED ROSE BUD EXTRACT

Rosa Centifolia Red Rose Bud Extract is known for its skin conditioning properties.

ROSE FLOWER WATER

Rose Flower Water is known to have tonic, astringent, skin conditioning properties.

SHEA BUTTER

Shea Butter is a plant lipid extracted from the Karite tree that is used as an emollient in cosmetics. It is a rich source of antioxidants that help to protect and condition skin.

SUNFLOWER SEED OIL

Sunflower Oil is a source of vitamin E and packed with antioxidants and helps retain the skin's moisture.

GINGER EXTRACT

This warm and spicy extract is known for its anti-inflammatory and anti-aging characteristics, leaving the skin radiant and toned.

SWEET ALMOND OIL

Sweet Almond Oil is rich in Oleic and Linoleic fatty acids and contains vitamins A, B1, B2 and B6. This oil is widely used in cosmetic formulations as a skin conditioning agent due to its penetrating, smoothing, softening and moisturising properties.

VITAMIN E

Topical application of vitamin E is said to result in skin smoothening, moisturising and the prevention of premature skin-aging. It is a major free-radical scavenger and, as free-radicals are very damaging to the skin tissue, it is considered a protector ingredient.

GLYCERIN

Glycerin locks in moisture by retaining water in the skin. Nourishing, cleansing and soothing, glycerin leaves the skin looking hydrated and youthful.

CHAMOMILE FLOWER OIL

Known for its ability to soothe skin, Chamomile oil provides anti-inflammatory and hydrating properties to the skin.

MANDARIN OIL

This zesty oil enriches the skin by toning, brightening and rejuvenating, supporting the growth of new skin cells.

OLIVE OIL

Olive oil is one of the oldest skincare ingredients. This golden liquid contains linoleic acid, a fatty acid that helps it moisturise and nourish dry skin, chapped lips and helps strengthen weak and brittle nails.

OLIVE LEAF EXTRACT

This silvery green oblong leaves are rich in antioxidants that helps boost and protect your skin against free radicals.

LIME EXTRACT

Lime extract is a skin conditioning agent which is rich in vitamins.

BAMBOO EXTRACT

Like many plant extracts, research has shown it is a source of natural antioxidants and can have skin-soothing properties.

BABASSU OIL

This oil is an excellent skin emollient, especially for oily and dry skin types. It gets easily absorbed by the skin, making it soft and smooth.

HYALURONIC ACID

What makes hyaluronic acid so special is that it is capable of holding in moisture. Hyaluronic acid also strengthens the outer layers of our skin. A healthy skin barrier feels softer, smoother and fuller and looks younger. Hyaluronic acid also offers protection by releasing antioxidants to prevent damage by free radicals. It also soothes the skin.

MEADOWFOAM

Meadowfoam Seed Oil is cold pressed from the tiny seeds of Limnanthes alba, which produces an oil with superb anti-oxidant properties and skin softening benefits.

WILLOW BARK EXTRACT

Willow Bark Extract is used in cosmetics and personal care products for its astringent, anti-inflammatory, soothing and conditioning properties. Willow Bark Extract is perfect for creating a clear, smooth skin and a more youthful-looking aesthetic.

Our Sustainability Journey...

We're on a mission to make packaging that's innovative, with less plastic, reusable and 100% recyclable.

Founded on values of authenticity, kindness, commitment and responsibility, we are dedicated to creating sustainably. We believe small steps will make a difference in our quest to bring you sustainable, responsibly made products.

We are passionate about offering the consumer, vegan products that are as thoughtfully made as they are beautiful.

Reuse and upcycling are part of our design ethos.

For 2022 we have introduced kraft paper hand cream tubes which use 33% less plastic. Plastic bottles now use 100% Post Consumer Recycled plastic. Our hand cream tins and rigid gift boxes can be reused and upcycled for stationery, beauty or crafting with endless possibilities.

"Mindful Living & Thoughtful Gifting"

- Paraben and Sulphate free
- All our products are certified cruelty free and vegan

2000

PETA APPROVED
Vegan | Global Animal Test Policy

2020

- Recyclable glass bottles
- Aluminium tubes
- Compostable cello-wrap from wood pulp

2014

- Joined the Green Dot recycling of packaging scheme
- Stopped using microbeads 

2021

- Post-consumer recycled plastic tubes
- Sustainable soy and plant-based inks
- FSC board and paper from sustainable forests

2022

- 100% PCR* plastic hand wash bottles
- 100% organic cotton eco-grocery bags
- Kraft paper tubes using 33% less plastic
- Fabric made from recycled plastic drinks bottles

2023

* Post Consumer Recycled

Frequently Asked Questions

Q. HOW DO ESSENTIAL OILS WORK?
The molecules are easily dissolved which allows them to penetrate the skin easily and work into the body by mixing with the fatty tissue. Meantime, as the essences evaporate they are inhaled, entering the body via the millions of sensitive cells that line the nasal passages. These send messages straight to the brain, and affect the emotions by working on the limbic system, which also controls the major functions of the body.

Q. WHAT ARE THE BENEFITS OF VITAMIN E FOR THE SKIN?
Vitamin E is vital in protecting skin cells from ultra violet light, pollution, drugs, and other elements that produce cell-damaging free radicals, as it is an anti-oxidant. Vitamin E helps skin look younger by reducing the appearance of fine lines and wrinkles and helps reduce the appearance of stretch marks. It can also help prevent the appearance of age spots and strengthen the skin's barrier function and helps maintain the skin's oil balance during the cleansing process.

Q. DO HEATHCOTE & IVORY TEST ON ANIMALS?
Absolutely not. None of the Heathcote & Ivory, RHS, Sara Miller, Morris & Co. or Cath Kidston products are tested on animals, only on us! We make it a rule not to allow any animal derivatives in our products.

Q. WHAT IS GLYCERIN?
Glycerin is one of the most versatile and valuable substances known to man and has no known negative environmental effects. A water clear, odourless, viscous liquid with a sweet taste; it attracts moisture to the skin and is an ideal ingredient to include in soap.

Q. WHERE DOES SHEA BUTTER COME FROM?
Shea butter, also known as, 'karite butter', is a cream-coloured fatty substance made from the nuts of karite nut trees that grow in the savannah regions of West and Central Africa. Karite trees, or shea trees, are not cultivated. They grow only in the wild and can take up to 50 years to mature and live up to 300 years.

Q. WHY USE SHEA BUTTER IN LIP BALM AND HAND CREAM?
Shea butter has moisturising benefits and has been used to help heal burns, sores, scars, dermatitis, psoriasis, dandruff, and stretch marks. It may also help diminish wrinkles by moisturising the skin, promoting cell renewal, and increasing circulation, its soft, butter-like texture melts readily into the skin.

Q. WHAT ARE ESSENTIAL OILS?
Essential oils are therapeutic-grade oils, distilled from plants, shrubs, flowers, trees, roots, bushes and seeds and are composed of tiny molecules. Essential oils contain the true essence of the plant it was derived from, they are highly concentrated and a little goes a long way.

Q. WHAT ARE THE BENEFITS?
Essential oils are able to enhance both your physical and psychological well being at the same time. Its distinct chemical composition, which determines its fragrance, colour, volatility and the way in which it affects the system, gives each essential oil its unique set of beneficial properties. For example, the chemical component ester acts as a sedative, a calming agent, an anti-fungal and an anti-inflammatory; esters are found in lavender, chamomile, bergamot and sage.

We have taken every care to ensure that when going to press, all products are presented to you, as they will appear. Slight variations may occur in colours or blends, in price or in appearance, no liability can be accepted for errors or omissions. We reserve the right to make price changes without prior notice. All products are subject to availability.

All orders placed with us and all contracts entered into with us are deemed to be solely on the basis of our standard conditions of sale current at the time, subject to any variation that may be agreed with us in writing and will not incorporate any conditions of purchase that the customer may have referred to. A copy of our current standard conditions of sale can be obtained from us on request.
